Winter Golf Academy

Swing Analysis and Practice \$99.00
-One (1) swing analysis with practice time.

4 Lesson Package \$175.00

-4 individual 30 minute lessons with our PGA of Canada Professional Staff.

6 Lesson Package \$250.00

-6 individual 30 minute lessons with our PGA of Canada Professional Staff.

****All individual lesson packages include the use of our Flightscope technology as well as our BodiTrak Pressure mapping system and video review to ensure we give each of our students the best opportunity to see the improvements in their golf game.**

Series of 3 Group Clinics \$99.00

-Groups consist of 6 golfers who will take part in a series of 3, One (1) hour clinics with our PGA of Canada Professional Staff. Clinics will consist of swing analysis in our technology hitting bay, practice time and golf specific training in our fitness room. This all takes place in an enjoyable setting surrounded by your golfing partners.

**See page 2 for clinic schedule.

Winter Golf Academy runs from Jan. 3rd-Mar18th, 2018

INDOOR LEARNING PHILOSOPHY

Indoor learning is a great way to improve your swing mechanics and get a good understanding of what should happen during YOUR golf swing.

Our PGA of Canada Professional staff use state of the art technology to help you uncover your true potential. We use VI Digital Coaching software, Flightscope and the BodiTrak pressure mapping system.

INDIVIDUAL LESSON PACKAGES

INDIVIDUAL LESSONS

All Individual lessons can be booked with your PGA of Canada Instructor. These lessons can be booked based on students schedule and instructors availability.
